EXPERIENCES

Event Technician *SEP. 2025 - Present*

Program and Event Management at UCLA ResLife - Los Angeles

- Oversaw the execution of frequent campus academic and social events attended by 300+ guests, providing tech support and ensuring smooth presentations.
- Coordinated directly with external event programmers to translate their visions into reliable on-site setups.
- Served as crucial support for True Bruin Welcome with 1000+ attendees, managing live cues and rapid technical adjustments under time-critical conditions.

Graphic Designer and Animator *OCT. 2024*

Eventmaker Beijing and Singapore - Remote

- Designed and animated key visuals for the Caterpillar campaign in bauma China 2024.

Assistant Video Editor/3D Material Artist *OCT. 2023 - NOV. 2023*

Beijing Haiyun Guanggu Future Technology Inc. - Remote

- Prepared, UV unwrapped and textured 3D model for commercial use.
- Colour-graded 5 footages for music video production.
- Collaborated with supervisor and clients to align my work with the project vision through iterative feedbacks.

EDUCATION

Bachelor of Arts, Design/Media Arts 2024-2028

University of California, Los Angeles (UCLA) GPA: 4.0
